IBA

Welcome to the Kick-Off meeting for IBA:

National Graduate School in Infection Biology and Antimicrobials

November 14th - 15th, 2016 in Oslo, Norway

Venue:
Thon Hotel Opera
Dronning Eufemias gate 4, 0191, Oslo
+47 24 10 30 00

Monday November 14th

11.30-12.30	*Lunch in the Hotel's Restaurant Scala*
12.30-15.05	**Opening Session** **12.30-12.40:** *Welcome* from Mike Koomey, UiO **12.40-12.50:** *IBA*, Mike Koomey, UiO **12.50-13.05:** *MenAfriVacc*, Dominique A. Caugant, FHI **13.05-13.25:** *xxxxxxxxx*, Søren Abel, UiT **13.25-14.45:** *Proteomic characterization of E. coli.*, Harald Wiker, UiB **14.45-15.05**: *KEAP1 regulates Mycobacterium avium-induced inflammatory signaling in human macrophages*, Jane Atesoh Awuh, NTNU
15.05-15.15	*Coffee break*
15.15-16.15	**Plenary Talk I:** Joakim Larsson, University of Gothenburg *The Environmental Dimensions of Antibiotic Resistance*
16.15-17.15	**Plenary Talk II:** Jukka Corander, University of Oslo *Joint analysis of core genome mutations, accessory genome content and gene regulatory changes provides a super-resolution view to pathogen evolution*
17.15-19.30	Poster Session *& Drinks*
19.00-21.00	*Dinner in the Hotel's Restaurant Scala*

IBA

Tuesday November 15th

9.00-09.50	**PhD Student Talks** **09.00-09.10:** *Transcriptional stress responses in Mycobacterium tuberculosis,* Marta G. Munoz, OUS **09.10-09.20:** *Meningococcal DNA binding and unwinding proteins,* Getachew T. Beyene, OUS **09.20-09.30:** *Genomic profiling and immune stimulatory properties of Mycobacterium avium isolates from the same patient(s),* Nisha Kannan, NTNU **09.30-09.40:** *Intracellular Life in Nanoscale 3D: Correlative Imaging by Light Microscopy and FIB/SEM tomography,* Marianne Sandvold Beckwith, NTNU **09.40-09.50:** *xxxxxxxxxx,* Theresa Wagner, UiT
09.50-10.00	*Coffee break*
10.00-11.30	**Speed Dating**
11.30-12.30	*Lunch in the Hotel's Restaurant Scala*
12.30-14.10	**Talks Continued** **12.30-12.50:** *xxxxxxxxxx*, Solomon A. Yimer, OUS **12.50-13.10:** *Antimicrobial resistance research at the University of Tromsø,* Ørjan Samuelsen, UiT **13.10-13.30:** *The quest for a universal influenza vaccine,* Rebecca Cox, UiB **13.30-13.50:** *Glycosylering of Ethiopian strains and antibodies in Ethiopian sera,* Bente Børud, FHI **13:50-14:10:** *NDPIA,* Sanna Koskiniemi, Uppsala University
14.10-15.10	**Plenary Talk III:** Sanna Koskiniemi, Uppsala University *xxxxxxxxxx*
15.10-15.25	*Coffee break*
15.25-16.00	**Closing Session** Real-time survey of feedback Summary of courses in the works

16.00-18.00	**Closed Administrative Meeting** for Board and Regional Studies Coordinators (*Snack* at **16.30**)
